

Primary School Programme 2023/2024

Junior Achievement Isle of Man

Member of
JA Worldwide

Introduction

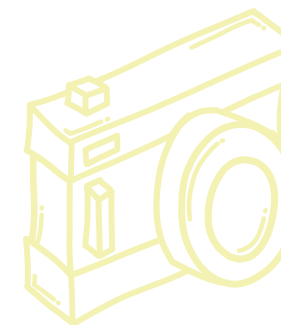

"Our World" is our JA Isle of Man programme designed for students of primary school age between 9 and 11 years.

In this programme two members of the JA Team, along with one or two volunteers, visit a class of primary pupils.

Students discover that businesses trade on a worldwide scale. They are introduced to the complexities of global trade between countries at different levels of economic development and the available resources at their disposal.

The Our World programme helps the students to develop a range of soft skills, including creativity, communication and organisational skills. It also helps build their confidence by encouraging students to present their ideas to the rest of the class.

This programme is kindly supported by the Scheinberg Family.

Primary Programme Team

JANE O'ROURKE

Jane was a JA volunteer for a number of years before becoming a Senior Programme Manager.

She uses her experience from various working environments to encourage students' aspirations and stretch their horizons.

Before joining JA Isle of Man, **Rachel** worked for eight years in the Life Assurance Industry.

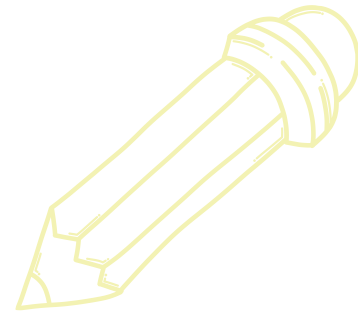

After the birth of her second child, Rachel became a full-time mother, giving her a new perspective on children's education and finding fun ways to help them learn at home.

RACHEL LIVER

Footprint

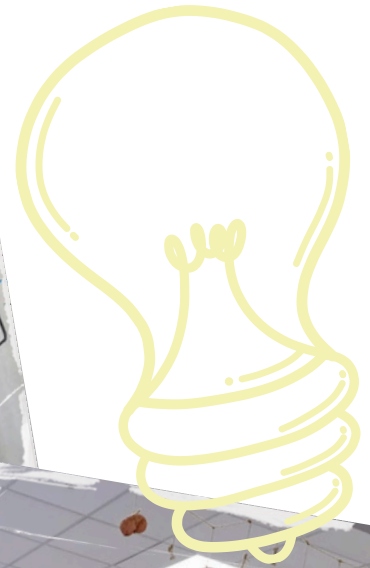

999 Students participated in the programme.

34 Volunteers participated in the programme.

170 Hours were donated by our volunteers.

44 The programme was delivered in 42 classes across 32 schools.

616 Hours our staff were in the schools.

Primary Teachers Feedback

96% of the primary teachers agreed that the Our World Programme encourages the students to work with other students outside of their friendship groups.

100% of the teachers felt that the programme helps the students to build their confidence through the different activities, especially their final presentation.

The children used a lot of skills and worked well together. They said it was better than Christmas day! They thought very carefully about what they wanted to present and cared about their presentations. Thank you for such a wonderful day, all the children enjoyed it as did I!

"We have some quiet children.
Just by asking the same of
everyone and encouraging them
to use a bigger voice just makes
them believe in themselves."

We are encouraging students to improve their soft skills:

Which skills do you think the students have used the most during the session?

94% Communication

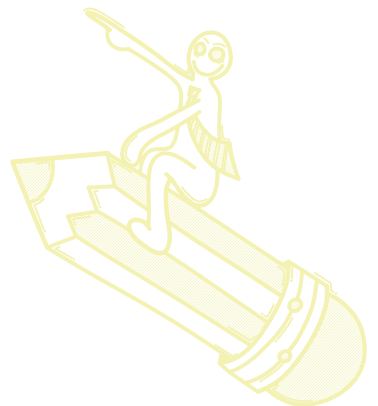

80% Time Management

85% Creativity

85% Problem Solving

80% Decision Making

82% Resourcefulness

The Trading Game

100% of the teachers felt that the Global Trading Game or "Trading Game" helped the children to have a better understanding of why countries need to trade with each other and how the global economy works.

"So many life skills learned today! The trainers were clear, patient and engaging. The children really enjoyed the day! Fantastic discussions re real life. All children's opinions were validated. The trading game was really engaging - all children participated. Lots of teamwork."

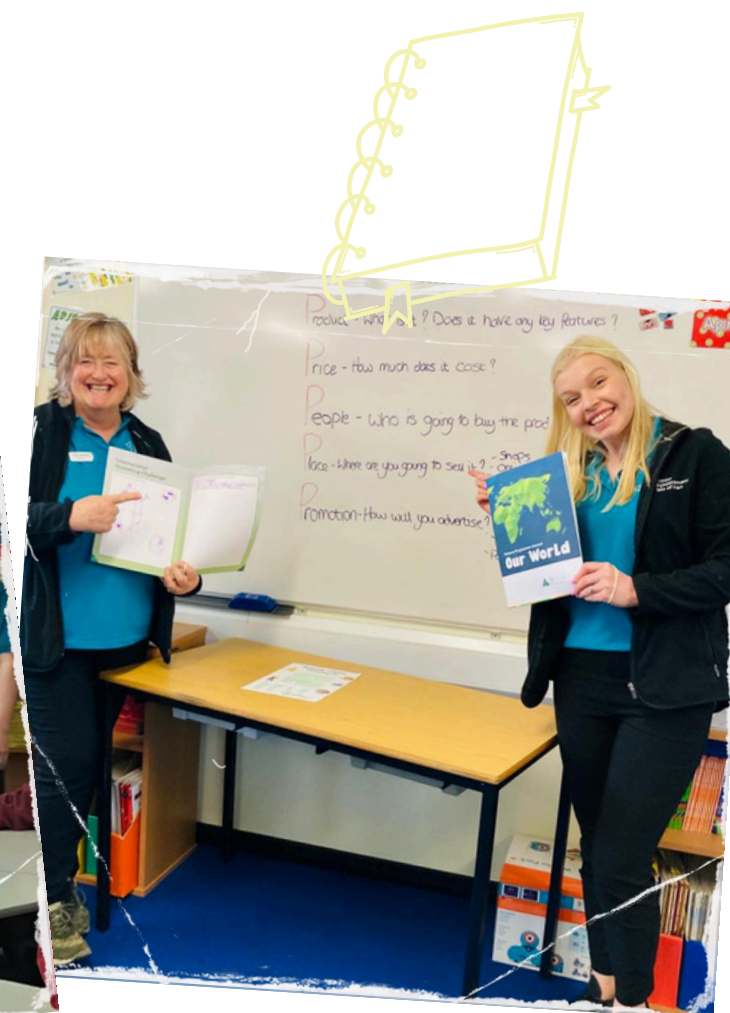

Learning by doing:

Do you feel the students engaged with this programme?

100% of the teachers agreed that the students were engaged by the Our World programme, which encourages learning by doing besides their academic abilities.

“Children were motivated and encouraged to think critically to problem solve and to talk with each other. Excellent activities which encourage teamwork skills and confidence. What a wonderful day! All children engaged and were able to participate in all the activities. Thank you for all you time and effort.”

Students

Feedback

Motivating

Had a great day

Amazing exciting

Loved Product design and learning about the money system

Very fun

Absolutely legendary

Really fun

So much fun making posters

Amazing trading game perfect

Positive learning experience

Enjoyable

Really fun would recommend to other class

Dramatically fun
