This programme explores spending habits, how to use a bank account, the importance of saving, budgeting, responsible borrowing, credit ratings, dealing with debt, protecting yourself online, identity theft and scams.

Through hands-on practical activities, students explore the cost of living. They also learn why they should review regularly their bank statement and maintain a healthy balance.

Students benefit from the experience of the volunteers who deliver this programme, many of whom work within the finance sector.

Learning Outcomes

- Enables students to understand how bank accounts work, including mobile banking.
- Understand the importance of reading and checking bank statements regularly and keeping your personal details secure.
- Recognise the importance of budgeting and the need to save as part of managing your finances.
- Understand credit and APRs to provide students with the knowledge to borrow sensibly and avoid getting into debt.
- Learn about credit reports and how external agencies use them.
- Showing students what they can do if someone they know gets into debt.
- Helping students to recognise a scam and learn how to guard against identity theft.

JA Volunteer Journey

Junior Achievement has over 250 Business Volunteers from employers of all sizes and all sectors. Connecting and interacting with local employees is a core part of the delivery of Learn to Earn.

Our volunteers help young people to build a broader understanding of the workplace and what skills are required to make a successful transition to the next stage of their life.
